5. [] Called Jim Woolsey and later Ed Braswell, Senate Armed Services Committee staff, about the Director's possible appearance this afternoon before Chairman Stennis and other members of the Committee to discuss Vietnam. As it developed, the Chairman was tied up on the floor throughout most of the day and the briefing never came off.

6. [] Discussed with Frank Slatinshek, House Armed Services Committee staff, the briefing tomorrow of the full Committee on the Vietnam situation. I said we weren't sure who would give the briefing and asked if there were any particular questions we should be prepared for.

7. [] At his request I met with George Murphy, Joint Committee on Atomic Energy staff, who told me there was some rumbling about the possibility of asking the Director to meet with the Joint Committee within the next couple of weeks to bring them up-to-date on Soviet activities in submarine and missile fields. He said this interest has been generated as a result of Senator Proxmire's opposition to the [] and a desire on the part of some Committee members to find out what the Soviets have been doing in recent months. Murphy merely wished to alert us at this point. He said thus far Representative Price has agreed to ask us for a briefing but it has not been taken up with Chairman Pastore.
